Living Proof Ministries

My Dear Sister
Your God is calling you
To a monumental
Increase of faith
This, Girlfriend of mine
Is our call to revival
Let's get our faith
Back in our faithfulness
The biggest wonder
God wants to perform
Is just not for you
It is in you!
Never again settle
For being a jar with little oil
Forsake any second-hand spirituality
And take this wild ride
With everything in you
Forsake carnality
For glorious intimacy with Christ
Get back out there
In the wind of His Spirit
If God doesn't part your sea
Then He wants you to walk on it
Get that shield of faith out
And draw the Sword of the Spirit
And live this Spirit life
To the last drop of oil
It won't be all that long
Till we're home and happy ever after
Now, woman of God
You have opened His Word
And the Lord has spoken
Get out there
And spread the Good News
